

## Your stay in total safety

We inform you that we have adopted all the health security measures required by the appropriate Authorities to guarantee the total safety of all Guests and our Staff.

We are applying rigorous hygiene procedures to all communal areas, the bedrooms and points of contacts with our team guarantees maximum comfort and serenity during your stay.

Upon arrival you will be able to see the security measures we have put in place should not interfere with the enjoyment of your stay. These are the main procedures we have activated:

- Regular cleaning and sanitization of all areas within the building, all bedrooms, bathrooms and communal areas.
- Strict sanitization and cleaning of all possible contact points (door handles, elevators, reception counters, communal bathrooms etc ...), which are disinfected several times a day.

- All bedrooms and communal areas are regularly sanitized for hygienic purposes and sanitary safety of our clients.

Cleaning activities are carried out with sanitizing products containing active ingredients deemed effective against the coronavirus

- Equipping all staff with the necessary individual protection devices

- Input controls with infrared thermometer for non-contact temperature detection

- Hand sanitizers positioned in the various areas of the hotel

- Training of our staff to ensure compliance with safety protocols

- Simplification of "check-in" and "check-out" procedures (for more information on online check-in, please contact the hotel)
- Personal protective equipment (PPE) is available on request for guests

- We look forward to welcoming you by placing your health and welfare at the centre of your stay
